Producing Fresh Memories Every Day

August 20, 2009

Dear Educator;

Thank you for reserving your field trip to the farm. We are very excited for what we have to offer the children when visiting our 4th generation family business. Education has always been our number one goal on the farm whether we are educating the public or your students. We hope to continue to teach those who visit where their food comes from and experience a “real” working farm.

We are celebrating our *10 year anniversary* of offering educational field trips and to celebrate we are extending a special price reduction for those who reserve your experience with us for the 2009-10 school year. Please see below for details and pricing:
